REFINANCING PLANS

OF THE U. S. FINISHING CO.

Debiture Subscription of \$654,500 Has
Been Obtained, a Letter to Stock-
holders Announces, and Earnings
Will Take Care of Plan.

This circular has been received this
week by the stockholders of the United
States Finishing company.

To the Stockholders of the United
States Finishing Company and to the
Subscribers to the Proposed
Issue of Debentures:

Referring to the circular of this
company dated May 7, 1914, the total
amount of debentures agreed to be
taken is \$654,500.

On the basis of these subscriptions,
an agreement has been made with the
bank creditors for them to accept a
partial release of the stock of the com-
pany as of Sept. 13 and the com-
pany's notes for the balance, maturing
on Sept. 13, 1915, at 5 per cent.

The company has agreed that so
long as the plan remains unpaid the
bank creditors' committee shall have a
representation of three members on
the board of directors of the company.
You are therefore requested to regard
this as a notice of a plan of refinanc-
ing and to accept of the same.

The committee is unanimously of the
opinion that these notes can be met
out of the earnings of the company,
and accordingly has declared the sub-
scriptions to the debentures effective.
This action is in accordance with the
opinion of the committee, and the com-
mittee, will be a complete solution of
the financial difficulties of the com-
pany.

The subscription to the debentures
call for payment of the same not later
than Sept. 1, 1914, but subscribers may
anticipate their payments, and when
payment is received on or before Aug.
15, 1914, will receive interest on such
anticipatory payment at the rate of 4
per cent. per annum from the date of
payment until Sept. 1, 1914.

Call is hereby made for the payment
of subscriptions on or before Sept. 1.
The subscribers are requested to send
out and return with their checks the
form herewith enclosed. Checks should
be made to the order of the United
States Finishing company.

Very truly yours,
HENRY B. THOMPSON, Chairman,
United States Finishing
Company.

Shopping by Telephone

Two publications will do much to
obviate the discomforts of
warm weather shopping.

One is the advertising columns
of The Bulletin.

The other is a telephone di-
rectory.

First sit comfortably in the
shade and do your shopping
through the advertising columns.

Then call into aid your tele-
phone and the alert merchants
with their modern ideas of serv-
ice will do the rest.

The men who advertise are the
men who will serve you best.

"DAIRY" PLANT SEIZED.

Federal Authorities Take Columbus
Company's Property—Makes But-
terine and Oleo.

Columbus, O., July 26.—Internal re-
venue officers of the Columbus district
last night took charge of the plant of
the Capital City Dairy company here.
The reason for the seizure, which was
made under orders from Washington,
was not disclosed. The company is
engaged in the manufacture of butter-
ine, oleomargarine and other dairy
products and is one of the largest of
its kind in the state. Collector Wil-
liamson said he would have the com-
pany's property inventoried and ap-
praised today.

BUSINESS MEN WILL CLOSE DOORS

Fifty in the City Have Already Agreed to Keep Closed All Day
for Outing on Thursday Next at the Beach—Committee
Limits the Tickets to 350.

The merchants of Norwich have en-
tered heartily into the spirit of Busi-
ness Men's day at Ocean Beach, to be
held on Aug. 6th, and already more than
half a hundred have voluntarily signified
their intention of closing their doors
for the entire day, thus affording not
only the merchants themselves but
their clerks as well a chance to attend
the outing. The list of store owners
who have already placed in their win-
dows "Closed all day Aug. 6th" signs
furnished by the committee in charge
of the arrangements are as follows:
